Employee Remote Work Policy

Company: NovaTech Solutions Document Type: Internal HR Policy Policy Version: 2.1 Effective Date: October 1, 2026

1. Remote Work Eligibility

Employees who have completed at least three months of employment are eligible to apply for remote work.

Remote work requires approval from the employee's direct manager. Employees undergoing performance improvement plans are not eligible.

2. Remote Work Schedule

Eligible employees may work remotely up to three days per week.

Employees must be present in the office every Tuesday and Thursday for team collaboration and meetings.

Core working hours are from 10:00 AM to 3:00 PM, during which all employees must be reachable.

3. Equipment and Internet

The company provides one laptop and one external monitor to eligible employees.

Employees are responsible for maintaining a stable internet connection with a minimum download speed of 25 Mbps.

The company reimburses internet expenses up to €40 per month upon submission of valid receipts.

4. Data Security

Employees must use the company-approved VPN when accessing internal systems remotely.

Confidential company information must not be stored on personal devices or uploaded to unauthorized cloud services.

Any suspected security incident must be reported to the IT security team within one hour of discovery.

5. Travel and Working Abroad

Employees may work remotely from another EU country for up to 10 working days per calendar year, subject to prior approval from HR and the legal team.

Remote work outside the EU is not permitted without special written authorization.

6. Leave and Attendance

Employees must record their working hours in the company attendance system daily.

Sick leave must be reported to the direct manager before 9:00 AM on the first day of absence.

7. Policy Violations

Failure to comply with the remote work policy may result in suspension of remote work privileges or disciplinary action.
